Oh, thrilled you'll be down for the GB mtg (I'll be there)! It should be a good one! Or is that 'priceless'? ;)
Yes, I planned to let you know closer to Feb., anyway, but it is weekend of Feb. 6-8, so make note of that at least!

Hope you like the interview!

Thanks so much for sharing! I plan to listen soon!

Also I don't believe I ever thanked you for sending me info about the arts festival ... which I have now misplaced..... so send me a reminder again as it gets closer! February, I think?

Take care. I will be down in October for the GB meeting. Hope to see you then!

Hi Molly,
Hope you are well!

Thought you might like to hear this from a major NPR station here in L.A.:

Nation's estuaries form vital, and vulnerable, coastal wetlands | Take Two | 89.3 KPCC

This week, scientists and coastal residents across the United States are drawing attention to the importance of local waterways, called estuaries.
